

# STOP THE SPREAD OF COVID-19

for ourselves and others, for our school, for our community

Each morning, students and staff must conduct a symptom and exposure screening on our secure school app before leaving home.

Stay home when you exhibit any of the following symptoms (during YELLOW phase, stay home if any members of your immediate household have symptoms):

**Fever or Chills**

**Persistent Cough, Shortness of Breath or Difficulty Breathing**

**New Loss of Taste or Smell, Sore Throat, Congestion or Runny Nose**

**Headache, Muscle or Body Aches**

**Fatigue**

**Nausea, Vomiting or Diarrhea**

Anyone exhibiting symptoms should contact their health care provider.

See School Exclusion guidelines in our Health & Safety Plan for more details.

**Quarantine at home when you have tested positive or have been in close contact with an infected individual (defined as spending >15 minutes <6 feet apart).**

**Siblings of students with a fever of 100.0 or higher must also remain home during YELLOW phase.**

**Follow Pennsylvania travel and quarantine guidelines.**

Students who are excluded from school are encouraged to participate in Grayson's remote learning program if they feel well enough to do so.

Consult **THE GRAYSON SCHOOL HEALTH & SAFETY PLAN** for the most up to date information on school exclusion, exposure, and returning to school.
