

Field Trip Permission Slip for Venturing Club Participants

Students attending The Grayson School Venturing Club Summer program will be travelling via private bus to The Gravity Vault in Radnor, PA on July 14, 2021 for rock climbing during our regularly scheduled program. Normal drop-off and dismissal times will be in effect for the day.

Cost of all activities is included in the overall summer program; unfortunately we are unable to provide a reduction in cost if your child chooses not to participate this day due to advanced guarantees with this provider.

Grayson faculty will supervise students during the trip. We do not need parent chaperones.

A signed permission slip is due upon registration. Please contact Jessica Curtiss via email at enrichment@TheGraysonSchool.org with any questions.
